Feast of Christ the King

Christ the King Sunday is a feast that celebrates Jesus Christ's authority as king and his rule over all creation, serving as a reminder that Christians' ultimate allegiance is to Christ, not earthly powers. Established by Pope Pius XI in 1925, it was created to counter growing secularism, nationalism, and ideologies like communism and fascism. It marks the end of the liturgical year and is a bridge to Advent, highlighting the hope of Christ's completed Kingdom of God.

Many Blessings & Congratulations

On Your Baptism

Our congratulations to **Mr. & Mrs. Mark Mahfouz** on the Baptism & Chrismation of their son **John Maron**. May God, who created us out of His outpouring of love, grant their child good health and long life so that he may grow in His Church to love, adore and praise Him. May He also grant **Mark and Maria** the parents of John Maron, a good healthy life to raise him according to our Maronite Catholic Tradition.
